

Robert Aiello

Regional Vice President, Industry Sector – Western Canada
Siemens Canada Limited

SIEMENS

Area of responsibility

As Regional Vice President for Western Canada, Mr. Robert Aiello is responsible for Siemens' Industry Sector business.

Mr. Aiello has over 20 years of multi-business management experience, most recently as General Manager for Siemens in the Alberta Region, where he was responsible for achieving financial and strategic objectives through integrated account management plans. Mr. Aiello is an Electrical Engineering Technologist and studied at Niagara College in Welland, Ontario.

Siemens is one of the largest and most diversified companies in the world of electronics and electrical engineering, operating in the industry, energy and healthcare sectors. The company has approximately 6,000 employees in Canada, working to develop and manufacture products, design and install complex systems and projects, and tailor a wide range of solutions for individual requirements. For almost 100 years in Canada, Siemens has stood for technical achievements, innovation, quality and reliability. Sales for Siemens in Canada for fiscal 2008 (ended September 30), were \$2.6 billion CAD.
