

Mark Bracken

Regional Vice President, Industry Sector – Ontario
Siemens Canada Limited

SIEMENS

Area of responsibility

As the Regional Vice President, Mr. Bracken is responsible for implementing Siemens' strategic and financial objectives to accelerate business growth through integrated account management plans in all industry sector activities in Ontario.

Mr. Bracken has over 20 years of leadership experience in the industry sector and a proven track record of business success with companies to achieve a strong market position.

Siemens is one of the largest and most diversified companies in the world of electronics and electrical engineering, operating in the industry, energy and healthcare sectors. The company has approximately 6,000 employees in Canada, working to develop and manufacture products, design and install complex systems and projects, and tailor a wide range of solutions for individual requirements. For almost 100 years in Canada, Siemens has stood for technical achievements, innovation, quality and reliability. Sales for Siemens in Canada for fiscal 2008 (ended September 30), were \$2.6 billion CAD.
