

## **Daniel Groulx**

Regional Vice President, Industry Sector - Quebec  
Siemens Canada Limited

**SIEMENS**

### **Area of responsibility**

As Regional Vice President of the Quebec region, Mr. Groulx is responsible for all industry sector initiatives and activities for Siemens in Quebec.

Mr. Groulx began his career with Siemens in 1974 and has held several management positions throughout his career. Most recently, Mr. Groulx was the General Manager for Siemens in the Quebec region where he was responsible for achieving financial and strategic objectives through integrated account management plans.

Siemens is one of the largest and most diversified companies in the world of electronics and electrical engineering, operating in the industry, energy and healthcare sectors. The company has approximately 6,000 employees in Canada, working to develop and manufacture products, design and install complex systems and projects, and tailor a wide range of solutions for individual requirements. For almost 100 years in Canada, Siemens has stood for technical achievements, innovation, quality and reliability. Sales for Siemens in Canada for fiscal 2008 (ended September 30), were \$2.6 billion CAD.
