

Robert Keen

Regional Vice President, Industry Sector – Eastern Canada
Siemens Canada Limited

SIEMENS

Area of responsibility

As Regional Vice President, Mr. Robert Keen is responsible for the all industry sector initiatives and activities in Eastern Canada for Siemens in Canada .

Mr. Keen has over 22 years of multi-business management experience, most recently as the General Manager for Siemens in the Atlantic Region, where he was responsible for achieving the financial and strategic objectives for Siemens business interests in the Region. Mr. Keen holds a Bachelor Degree in Business Administration and a Masters Degree in Business Administration from Dalhousie University.

Siemens is one of the largest and most diversified companies in the world of electronics and electrical engineering, operating in the industry, energy and healthcare sectors. The company has approximately 6,000 employees in Canada, working to develop and manufacture products, design and install complex systems and projects, and tailor a wide range of solutions for individual requirements. For almost 100 years in Canada, Siemens has stood for technical achievements, innovation, quality and reliability. Sales for Siemens in Canada for fiscal 2008 (ended September 30), were \$2.6 billion CAD.
